About Us

www.oliveworld.co.in

With a legacy of 25 years, **Crystal Interior Products Pvt. Ltd. (Olive)** stands as an industry leader in crafting innovative Modular Kitchen Solutions and Wardrobe Accessories.

Our company stands tall with a workforce exceeding 1500+ dedicated employees. Our diverse portfolio encompasses over 190+ products, and we take pride in our mastery of crafting Kitchen Storage Solutions, Kitchen Accessories, Kitchen Hardware Fittings, Wardrobe Accessories and Bathroom Accessories.

As a testament to our commitment to quality, we are proud holders of the **ISO 9001:2015 certification**. Over the past quarter-century, our unwavering dedication to excellence, coupled with the ever-growing demand for our products, has solidified our position as a distinguished brand under the renowned name "**Olive**". The consistent support and goodwill of our customers have established us as one of the most sought-after brands in the industry.

We are committed to staying at the forefront of innovation. Our dedicated research and development team continuously explores new materials, technologies, and design concepts to bring the latest trends and functionalities to our products.

“A VERSATILE PRODUCT
FOR OPTIMUM SPACE
UTILIZATION”

DO'S

Hardware installation to be carried out only after civil & painting work is completed.

Ensure proper adjustments /alignments and after installation (including floor level and cabinet dimension).

Install the products as per fitting instructions provided

Always use a clean and dry cloth to wipe any part of the hardware. May be done twice a month.

For materials such as stainless steel etc. Always use a special cleaner (if available) or clean water in a soft cloth or sponge (slightly damp, not wet) and re-wipe the area with a dry cloth once done

If unsure about product installation, please download fitting instruction from www.oliveworld.co.in or contact our authorized distributor/dealer or company directly for assistance.

DON'TS

Do not lubrication the products without first checking the applicability of the lubricant with the company.

Do not abuse the product- i.e, hammering and forcefully exceeding the opening angles, forcefully pushing the channels without considering / checking for side gaps, exceeding the specified load capacity exposing to heat or fire etc. (Do not alter or modify a product)

Do not use any kind of cleaning agents such as Thinner, Turpentine Oil, Colin, Detergent Solutions etc. to clean hardware components. Do not apply Paints, Polish, Varnish.

Do not let saw dust and concrete rubble / dust enter any components of the hardware

Do not open a product to inspect it's internal parts without consulting an authorized distributor or the company directly.
